

COMPANY PROFILE

Paradise Flowers Garden Center | Al Noaimi Agriculture & Irrigation Services

ABOUT US

Paradise Flowers (Garden Center) is a branch of Al Noaimi Agriculture & Irrigation Services (NAIS), founded in 2009. Our mission is to offer exceptional and complete green solutions, combined with the compassion to improve the quality of indoor or outdoor space you wish to use for business or leisure. We are committed to consistently bringing the most advanced technology, highly qualified and distinguished professionals and competent administrative staff to maintain the high quality of services rendered to our clients and serving them with integrity.

OUR SERVICES

NAIS provides customized landscape and irrigation services, including design, maintenance, construction and irrigation for residential and commercial projects.

Plants

Indoor, outdoor, office and garden plants for residential and commercial spaces.

Pots & Planters

Fiber clay, GRP fiber, plastic, polystone and decorative flower pots.

Plant Care

Pot soil, compost, fertilizer, peat moss, cocopeat and garden care products.
